

# POD DRIVE SYSTEM ENGINE COVERAGE:

**NAVIGATION SYSTEM (Factory Installed Only):** Radar, Radar antenna, GPS, GPS Map Receiver, GPS Antenna, Plotter, Auto Pilot, VHF Radio. Does not include programming and updates.

**ENGINE:** Internally lubricated parts including: pistons (limited to defects in piston material), piston rings and pins; crankshaft; main bearings; connecting rods; rod bearings; camshaft and camshaft bearings; timing chain and timing gears; valves, valve springs, valve guides, valve seats and valve push rods; thermostat components, sending units (temperature, fuel pressure, and oil pressure), knock sensor, main seals, intake and exhaust valves; lifters; oil pump; rocker arm cover; harmonic balancer; oil pan; engine mounts; flywheel ring gear. Engine head, engine block, cylinder sleeves and intake manifold are only covered if damaged by the Failure of a covered internally lubricated part.

**DIESEL ENGINE ONLY:** Cylinder head bolts; air intake housing; turbochargers (up to 3); main bearing bolts; rod bolts; rocker arms; oil cooler housing; oil filter housing; flywheel housing; pump drive gears (aka front transmission); front covers; idler gears; balancer cover housing.

**CLOSED COOLING SYSTEM:** Engine water/coolant circulating pump; oil cooler; heat exchangers (for closed cooling system only). The failure of heat exchangers due to corrosion or clogging due to salt, debris, freeze damage, or other contaminants is not covered.

**POD DRIVE:** Internally lubricated parts including: clutch plates and clutch drums; thrust plates; planetary gears; shift bands; reduction gears and reduction bearings; drive plate, temperature switches, neutral safety switch, control valves, transmission oil cooler, shafts; bearing carriers; hydraulic pumps; hydraulic pistons; valve bodies; transmission mounts; oil pan, seals gaskets. Transmission case is covered only if damaged by the Failure of a covered internally lubricated part. Steering motor and control unit, steering knuckle and steering position sensor, oil pump, oil cooler, planet gear and axle shaft.

**INTERMEDIATE HOUSING:** Intermediate housing case and mounting ring are covered only if damaged by the Failure of an internally lubricated part.

**LOWER UNIT:** Internally lubricated parts contained within the lower gear housing including: gears, propeller shaft, drive shaft, bearing carriers, bearings. Lower gear housing is covered only if damaged beyond repair by a covered component.

**ELECTRICAL:** Alternator/stator; voltage regulator/rectifier; electronic ignition module; ECM, ignition switch, coolant temperature switch, oil pressure switch, starter motor; starter armature; starter field windings; starter magnets; starter drive; starter solenoid; engine mounted wiring harness, associated wiring harness for HCU, PCU.

**STEERING (Factory Installed Only):** Steering control helm assembly, steering wheel, mounting hub.

**CONTROLS:** All parts contained within control box; cams; eccentrics; shafts, pivots; neutral safety switch; potentiometer shift switch; lever; throttle wiring harness, POD Drive joy stick and wiring harness.

**FUEL SYSTEM:** Fuel injectors, injector rails, pressure regulator, fuel distributors, fuel injection pumps (high and low pressure); ECU module; boost pressure sensor, air flow sensor; coolant sensor, fuel cooler, fuel delivery pump.

**SEALS & GASKETS:** Seals and gaskets are covered only if needed for covered components. Failures caused by worn or inappropriately installed gaskets are not covered.

**INTERCOASTAL**  
**FINANCIAL GROUP, LLC**
